

I have a dream today. I have a dream that one day every Valley shall be exalted, every hill and mountain shall be made low. The rough places will be made plain, and the crooked places will be made straight. And the glory of the Lord shall be revealed, and all flesh shall see it together. This is our hope. This is the faith I go back to the South with. With this faith we will be able to hew out of the mountains of despair a stone of hope. With this faith we will be able to transform the jangling discords of our nation into a beautiful symphony of brotherhood. With this faith we will be able to work together, to pray together, to struggle together, to go to jail together, to stand up for freedom together, knowing that we will be free one day.

What's going on in RCA?

Flex- Safe Return to School

Based on consent forms received during our plan of re-opening last fall we have contacted families that expressed interest in having their children return to the school premises for instruction. Our Flex- Safe return is scheduled for January 25th, 2021, *only* to the families that have signed consent forms, and comply with certain requirements. Families can still opt to leave their children at home since classes will remain via the Zoom and LMS platform. For more information about this notice please contact the school office:

Staff Interview

Admin Edition
 Mr. Burnett

How do you define success?

- I generally define success by working hard to put yourself in a position to accomplish your goals. The hard work is important. Without it, one can never truly experience the emotion of success. My personal definition is being able to make my family happy and having the time to enjoy the smiles with them.

Most influential person and why?

- The most influential person in my life was my former Football Coach, Greg Schiano. Coach was the first person to back me in a corner and make me acknowledge my weaknesses, which is the first step to overcoming them.

How many years have you worked at RCA?

- This will be my sixth year at RCA

Coollest thing about your job

- Getting to be involved in the lives of our students and seeing them succeed.
