Fuel Up to Play 60 Program

The Fuel Up to Play 60 Program is designed to engage and empower youth to take action for their own health by implementing long-term, positive changes for themselves and their schools. The program features easy enrollment and step-by-step guidance for adults and students. All participants have access to customizable program components including a Playbook, tools and resources, in-school materials, personalized educator and student Dashboards, and opportunities to earn incentives and rewards.

Beyond health and wellness, the program offers students leadership opportunities that help them gain confidence and lifelong skills through teamwork with their peers and adults at their schools. Students are empowered to become leaders in their school and communities by becoming Fuel Up to Play Ambassadors, who serve as examples and role models for fellow students and entire communities.

On July 7, 2020, RCA was awarded a Flag Football Kit which included: 10 footballs, 50 FLAG belts, An NFL FLAG poster, Participation certificates, and an Online FLAG football curriculum. These new items will assist RCA with enhancing its Athletic Department.

Amped Program

On September 1, 2020, RCA was awarded a Running Program called the Amped Program. This program is designed to get kids moving & prime brains for learning. It entails running or walking your way to 20 – 45 minutes of daily exercise. It will be open to ALL students, regardless of age or ability.

Participation includes running/walking to music with peers and incentives for laps earned & daily participation. An AMPED ZONE can be created for different skill levels. This program will lead to RCA implementing a Cross Country and Track and Field Team.

Thanksgiving!
November challenge

Write in a journal one special thing you're thankful for that day. Do it every day until the end of the month. Meditate on the goodness of God and all his blessings!

Pray for a different classmate every day.
Meditate on these verses for this

month:
