## RCA Science Fair

Science fairs are so much fun and they really bring our school to life! Join us as Redland Christian Academy has its first school-wide Science Fair on Wednesday, February 19<sup>th</sup>, 2020 from 6 pm to 8 pm. Who wouldn't want to come visit the school when the students have created such marvelous extractions, simulations, and chemical concoctions? Oh, but wait! There will also be spaghetti dinners on sale that evening for only \$5. To make it even more appetizing, high school students will receive extra credit and community service hours for attending those two hours. Amazing, right? Can't wait to see you there!
