TEACHER INTERVIEW

Ms. Bristol

1.) What are the skills that you think make students most successful in school?

I think discipline, determination, and deliverance make students most successful in school.

2.) What accomplishments in the teaching field are you most proud of?

I am most proud of my accomplishments as a teacher, when I see the labor of my work in the past students, that I have had the honor to teach. When students come back to me years later and tell me I made a positive difference in their lives, or they remember a lesson I taught, or they chose a career because of the academic strengths built in my class. I feel then, that I have done my job as a teacher.

3.) Who was the most influential person in your life?

The most influential person in my life has been my son. He is a leader, a brave heart, and a genuine person who walks with and honors God. I have learned so much from my son, and one of those things is to keep my head up and remember that I am always loved and cherished by God.

We Are The World –

Lyrics by U.S.A for Africa

There comes a time
When we heed a certain call
When the world must come together
as one
There are people dying
Oh, and it's time to lend a hand to life
The greatest gift of all
We can't go on
Pretending day-by-day
That someone, somewhere soon
make a change
We're all a part of God's great big
family
And the truth, you know, love is all we
need
We are the world
We are the children
We are the ones who make a brighter
day, so let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just
you and me
Oh, send them your heart
So they know that someone cares
And their lives will be stronger and
free
As God has shown us by turning
stones to bread
And so we all must lend a helping
hand

Professionals-At-Large (PAL) Program guest speaker was Petagay Letren, Bodysong, LLC, CEO.
