Staff Interview

Mrs. Barbara Carrillo

What are the skills that you think make students most successful in school?

No one better to answer this question than my students. Here's their responses: creativity, patience, hands-on and positivity.

Who was the most influential person in your life?

My grandparents. Their work ethic, compassion and they are ever-present. Those are footsteps I intend to follow.

Is there a quote that defines your perception of life? If so, what is it?

Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence.
