### Teacher Interview Mr. Luis Deschappelles

It is a well-known fact in RCA that you help students with college readiness. How long have you been working towards this goal? Do you feel that you have accomplished this goal?

I have been working here for 3 years, but I do not feel that I have accomplished anything, because as long as there are more students requiring assistance to get into college my job is incomplete.

**Why do you push yourself so hard to get these students into college?**

I push myself so hard because I want to leave the world a better place than I found it.

### What is your personal opinion on going to college?

The truth is college isn't necessary, but in all honesty the experiences and knowledge gained in college make it all worthwhile.

**Special Thanks to Junior Achievement for the donation of two Work Readiness, Entrepreneurship, and Financial Literacy kits for RCA!**

### P.A.L. Program Kick Off

The Professionals at Large (P.A.L.) program highlighting professionals within RCA kicked off last Friday with the Junior Class. The first speaker was Asher Hughes.

## FOOTPRINTS IN THE SAND

*One night I dreamed a dream. As I was walking along the beach with my Lord. Across the dark sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand, One belonging to me and one to my Lord.*

*After the last scene of my life flashed before me, I looked back at the footprints in the sand. I noticed that at many times along the path of my life, especially at the very lowest and saddest times, there was only one set of footprints.*

*This really troubled me, so I asked the Lord about it. "Lord, you said once I decided to follow you, You'd walk with me all the way. But I noticed that during the saddest and most troublesome times of my life, there was only one set of footprints. I don't understand why, when I needed you the most, you would leave me."*

*He whispered, "My precious child, I love you and will never leave you never, ever, during your trials and testing. When you saw only one set of footprints, It was then that I carried you."*
